

Annual Dinner Meeting

February 13, 1976

The meeting was called to order at 8:45 pm by President Pat Doherty - VE3HFS after a very enjoyable meal.

Les also announced that while he is on vacation in the warmer climates, Vic Bel - VE3ECV will assume the position of Net Manager.

Les also let us know that a request for QSL cards in conjunction with Old Fort William was received and O.K.'ed. The club will be receiving 10,000 cards shortly, bearing a scenic view of the Old Fort.

Our thanks this month must go out to Jim Munro, who took upon himself the task of phoning people to attend the dinner meeting.
